Amy,

Nikki and I are probably coming down on Saturday (or Sunday, but I think Sat.). We thought that more than flowers would be good, but are stumped as to what. We thought maybe a message (even though I know that we (me and you) already gave that to her once). If you get this in time, give me a call tonight (after 9 is okay) on our home number [REDACTED]. If you don't get this, I'll probably call your cell around 9:30-10:00.

What you doing in Danvers? (Wait, don't answer, tell me on the phone)

Sonja

Sonja~

What are we going to do for mom's bday? I'm going to be in Danvers, MA Tuesday night to Friday, then heading south this weekend. Should we give her presents (what?) whichever weekend you come down? I have no idea what we can get for mom, but we have to do something. Especially since we got dad bday and father's day gifts, right? I think we should do a little more than flowers. If you have any ideas, please let me know.
